"Transplant Chat"

Would you be interested in a "coffee morning" with other transplant recipients?

Based on feedback we have received, the IHLTA are currently seeking to gauge interest in social gatherings for our members.

This might consist of meeting for coffee (possibly in the Mater on clinic mornings) or on more 'neutral' venues, even at weekends. The latter would appeal for members outside Dublin, who could meet in their own time (at weekends, etc).

Such gatherings would not necessarily consist of humdrum medical chat, but rather an opportunity for individuals with a shared interest to meet and socialise.

We are open to suggestions on this subject. If you have an idea or would be interested in hosting an event in your area, please message this page or email secretary@ihlta .com
