Below pictured are Daria McCoy and her sons, who recently took part a night walk of Benbulbin Mountain, Co. Sligo organised by Sligo/Leitrim Mountain Rescue in the name of organ donation awareness.

Daria's husband had a double lung transplant.

We would like to sincerely thank them for their efforts, which attracted attention from the Sligo Champion newspaper. Events like this go a long way in spreading the ever-important message regarding organ donation.

Gerry Scully, IHLTA secretary, is pictured receiving the cheque from Daria, Mark and David McCoy.

A Big Thank You to the McCoy Family
