Wednesday, 20 December 2017 21:29 -

---

Our 26th Annual Service of Thanksgiving and Remembrance will be held in the Chapel of the Mater Misericordiae University Hospital on 17 February 2018 at 12 Noon.

It is dedicated with respect and humility to all organ donors and their families who, by their goodness and compassion, give others the gift of life.

The Chapel is located in the Old Building of the Hospital. Members will direct attendees on the day.

Refreshments will be served afterwards in the Atrium of the Whitty Wing.

This is a non-denominational service and, as ever, we would like to express our gratitude to all those in the Chapel at the Hospital for facilitating us.

Should you have any questions or queries, please don't hesitate to contact us.
