

Organ Donation Awareness Week 2018

Written by Administrator

Monday, 02 April 2018 20:12 -

"With 550 people on lists for heart, lung, liver, kidney and pancreas transplants - the call is being made for a national conversation about organ donation.

This week is Organ Donor Awareness week - with the focus on families talking to each other about their willingness to donate."

#ODAW2018 - Organ Donation Awareness Week 2018

Please have the chat with your family.
