You are all invited to join the IH<A on our next visit to The Circle of Life Garden this September the 8/9/2018

We are looking forward to meeting up with Denis and Martina Goggin once again and be further educated and inspired by the history and the effort involved in creating this beautiful memorial garden and place of incredible calm, spirituality and serenity, on the seafront in Salthill but far from the noise and day to day activity of a busy seaside resort.

We hope to gather for 2.00pm and conclude about 3.00 or 3.30 where we will retire to the Galway Bay Hotel for finger food.

Can anyone who intends travelling let me know by either indicating on Facebook, or texting 087-6878763 or by mailing secretary@ihlta.com

This is just to ensure we have sufficient refreshments on order.
