IHLTA Annual Service of Remembrance & Thanksgiving 2020 When: Saturday, 15th of February 2020 from 12:00 - 15:00

Venue: Chapel of the Mater Misericordiae University Hospital

Our Annual Service of Remembrance & Thanksgiving will be held in the Chapel of the Mater Misericordiae University Hospital on 15th of February 2020. The service is dedicated with respect and humility to all organ donors and their families who, by their goodness and compassion, give others the gift of life. The Chapel is located in the Old Building of the Hospital. Members will direct attendees on the day.

Refreshments will be served after the service. This is a non-denominational service and, as ever, we would like to express our gratitude to all those in the Chapel at the Hospital for facilitating us.
